

November 21st/22nd 2022: Register Now!

Beginning in 2013, inno-train has established a forum in Frankfurt focusing on molecular blood group typing. Originally the Molecular Blood Group Forum started as a local event with participants from Germany, Switzerland and Austria. Since 2016, every other year it is held in English to welcome speakers and participants from all over the world. It is our pleasure to invite you to participate in this year's international forum.

We are celebrating our 8th anniversary of the forum with key opinion leaders in the field of immunohematology. The leaders will present and discuss recent topics on RBC genotyping.

The forum takes place over two days in the congress center located in the Inside Hotel Frankfurt Ostend. During the welcome dinner on the first day the participants can gather and exchange views with one another and the speakers.

We are looking forward to a successful 8th Molecular Blood Group Forum with exciting lectures and hope to welcome you in Frankfurt.

Further information to this year's forum is provided on inno-train [Website](#) and is being updated permanently.

We are happy to welcome you in Frankfurt!

Confirmed speakers:

- Prof. Christoph Gassner - Private University in the Principality of Liechtenstein, Triesen
- Dr. Sofia Lejon Crottet - Swiss Red Cross, Bern, Switzerland
- Dr. Nicholas Gleadall - University of Cambridge, UK
- Dr. Vicky van Sandt - Belgian Red Cross Flanders- HILA, Mechelen, Belgium
- Dr. Åsa Hellberg - Lund University, Sweden
- Dr. Nicole Thornton - NHS Blood and Transplant, Filton, Bristol, UK
- Prof. André Franke - University Kiel Clinical Molecular Biology, Germany

• ROUND TABLE DISCUSSION WITH ALL SPEAKERS

- All lectures and discussions will be held in English.
- The attendance fee of 253 Euro net includes the catering during the forum and the dinner.
- Due to the limited number of participants an early registration is recommended.
- For the participants a limited contingent of rooms is reserved in the Inside Hotel Frankfurt Ostend from November 21st to 22nd for a special offer of 99 € under the name „Blood Group Forum inno-train“.

REGISTRATION FORM

We invite you to participate in the 8th Molecular Blood Group Forum in Frankfurt. Topics surrounding RBC genotyping in the immunohematology testing routine and novel techniques and data will be presented. We are looking forward to your attendance and an active exchange of views.

At the end of the first day a welcome dinner for all participants and speakers is offered. Please keep in mind that due to the booked locations the number of participants is limited and registration is required. As the pandemic is still ongoing, potential Covid

measures may need to be observed during the event.

The registration fee is required in advance. An invoice will be sent starting in the middle of August. Participation is confirmed after receipt of payment. For cancellations, until October 15th, 50% of the attendance fee will be invoiced. Cancellations after October 15th will be charged with the full attendance fee. Please send the completed registration form to fax number stated below or via email to: info@inno-train.de.

PLEASE COMPLETE IN CAPITAL LETTERS
